NOTICE

On our Carolina Tall growing Rye

We wish to call particular attention to this stock. It is absolutely different from the "mating" Northern Western Rye. We do not claim that it is as early as Abbruzzo, but it does make a most satisfactory growing and cover crop, and it does grow up. The many thousands bushels we sell annually testify to this claim.

Texas Rust Proof	1.70	1.72
Apple	1.49	1.55
Pulghum	1.50	1.55

GET YOUR ORDERS IN EARLY

Freight is not acceptable to all points every day in the week. In some cases it is only once a week and in others two or three times a week. Shippers must conform to a published schedule of shipping days. This condition makes it strongly advisable for our customers to order their seed early giving plenty of time for it to reach destination.
